

Set Up a DigiAsset Compatible Wallet for DigiSwag Tokens

To receive and store your DigiSwag tokens, you'll need a DigiAsset Compatible Wallet and Digi-ID.

Please note, you will not use Coinomi to store your tokens; instead, you'll use DigiNexum.Trade.

Coinomi will serve as your Digi-ID application. Follow the steps below to get started:

Step 1: Set Up Your Coinomi Wallet

1. Download Coinomi:

- Find and download the Coinomi Wallet app from your device's app store (available for iOS and Android).

2. Create and Secure Your Wallet:

- Follow the setup instructions and create your wallet.
- Backup your 24-word recovery phrase securely. This phrase is the only way to restore your wallet if your device is lost or damaged.

3. Add DigiByte:

- Before attempting to log in to DigiNexum.Trade, you must add DigiByte (DGB) as an asset in your Coinomi Wallet.
- Tap the "+" icon in Coinomi, search for DigiByte, and add it to your wallet.

Step 2: Log into DigiNexum.Trade

1. Access DigiNexum.Trade:

- Open your web browser and go to DigiNexum.Trade

2. Initiate Login with Digi-ID:

- Click on the "Login" button on the website.
- A QR code will appear. Tap on the QR code (don't press/hold).

3. Authenticate with Coinomi:

- A prompt will ask if you want to open the QR code with Coinomi. Select "Yes."
- Coinomi will launch and request you to authenticate by entering your password or using biometric login (face ID or fingerprint).

Step 3: Confirm Login and Get Your DigiNexum Address

1. Return to Your Browser:

- Once authenticated, return to the DigiNexum.Trade tab.
- Refresh the page if you are not automatically logged in.

2. Confirm Your Personal Address:

- Once logged in, your DigiNexum personal address will be displayed.

Step 4: Submit Your Address to Receive DigiSwag Tokens

1. Copy Your Personal Address:
 - Copy your personal DigiNexum address.
2. Paste it on DigiSwagToken.com:
 - Go to DigiSwagToken.com
3. Receive Your DigiSwag Tokens:
 - You will receive your tokens within 24 hours.
